

Red Dog Questions

Before we get you in to meet us, we'd like you to answer the following questions:

- Zombies have invaded the earth and the survival of the human race depends on you and your crack zombie-slaying team. You're allowed six people, alive, dead or fictional – who would those people be and why?
- If you were a dog what breed would you be and why?
- You're only allowed to listen to four albums for the rest of your life, what are they?
- Who are your personal and professional idols?
- What would your last supper be? Three courses and drinks...
- What would your epitaph be?
- You're allowed to make an animal either REALLY massive or REALLY small - what would that animal be and why?
- What would your blog topic be this week?
- Tell us about something you've read recently (not a book) that's impressed you and why.
- Top three favourite film quotes.
- What's your grammatical bug-bear?
